Dear Madam:-

Your letter of 24th. received. Yes we thought we could do better to play in the East in early September and we play at Yankee stadium 15th. the date you end your league season. It looks like Newark will be in the play off and no doubt you will soon know dates your park will be available. We can start the play of world's series in Newark as soon as you can get your park after 15th. or wherever you want your games played of course we will have to be careful not to be criticized by the press and fans, but you know we have to play where we can. K. C. Blues will not be in the play off here and I thot we can play 2 games at Newark if you think it will be okay and perhaps play a game or two on the way to K. C. where we can resume play Sunday Sept. 22nd. The games after the two at Newark on way here would be exhibition if we play each other, then we would the final games here if it don't last to long, of course this can all be decided on later, the above are my thots.

Re: to the all Stars for the October games against Bob Fellers big leaguers, this tour will star Sept. 30th. ~~30th~~ and end Oct. 14th. at Kansas City as outlined at present which will be 15 days. Enclosed find terms for the trip which will be on percentage and lets all concerned take the chances, if we get into most of the big parks all will make money and if we run into bad weather it will not be so good, but everybody will know just where they stand and what to expect and I want you to know we appreciate your cooperation on this tour and as told you in Chicago we want to win as many games as we can and want the players to make some money.

Yours truly,

T. Y. Baird
